

Approved Worldline EFTPOS Terminals

This page contains the current list of Approved EFTPOS Terminals certified to version 220, 190, 2018, 2017 of the Worldline Terminal Specification for connection to the Worldline EFTPOS Network.

No new Connections date is the day after which no new device connections can be made to the Worldline network. Dispensations may apply to replaced merchant lanes or merchant additions only, but will need approval by Worldline and in some cases the Acquirer.

NB - Software version marked with *, 'x' donates different characters in a software version

230 Terminals in General Release

Sektor Limited
